## A JOINT RESOLUTION DECLARING JUNE 2021 AS SNOHOMISH COUNTY FARMERS MARKET MONTH

**WHEREAS,** Snohomish County has a rich history of farming and agriculture going back to 1861 when the County was founded; and

WHEREAS, Snohomish County farms and farmers markets provide our communities with locally grown, fresh, and healthy food such as fruits, veggies, eggs, meat, baked goods, honey, and more; and

WHEREAS, outdoor farmers markets have played a pivotal role during the pandemic as community members are able to access fresh and nutritious food outside in the fresh air; and

WHEREAS, farmers markets spur economic growth and give farms and other small businesses the opportunity to market and grow their business, which is even more important now with the hardships faced by so many in our community over the last year; and

**WHEREAS**, we recognize the long-standing commitment to the community of The Everett Farmers Market and The Snohomish Farmers Market. We further congratulate The Snohomish Farmers Market on their  $30^{th}$  Anniversary this year opening with a record breaking 115 vendors on May  $6^{th}$ ;

NOW, THEREFORE, BE IT RESOLVED, that the Snohomish County Council and Snohomish County Executive hereby recognizes the month of June 2021 as SNOHOMISH COUNTY FARMERS MARKET MONTH and encourage all Snohomish County residents and businesses to support our local farmers and farmers markets in their local community this summer; and
