

Declaration of Dependence On God

Preamble

We are living in the end times and entering the days of sorrow (Matthew 24:8). The Bible warns us that these are days of great delusion, deception, lawlessness, and a great falling away from the Faith due to many not receiving the love of the truth (2 Thessalonians 2: 1-12).

The Bible exhorts that as we witness the fulfillment of prophecy in these end times, our hope must remain in Christ alone (Colossians 1:27, 1 Peter 1:13). Jesus declared in John 8: 31-32, "if you abide in my Word, you are truly my disciples, and you will know the truth, and the truth will set you free." By the power of the Holy Spirit, we shall know and walk in the Truth and these will be days of great courage, perseverance and faithfulness in the remnant Body of Christ as we occupy until He comes (Luke 19:13).

Due to the globalist agenda (the Great Reset), which the Bible refers to as the coming Beast system (Revelation 13), we are witnessing a long train of abuses from the arbitrary decrees of man and governments. These decrees are in violation of our Constitutional rights and more importantly in violation of the Word of God.

In particular we must recognize, based on actual evidence, reasoning and the discernment of the Holy Spirit, that the COVID "pandemic" and the subsequent lockdowns were evil, fraudulent, and served the enemy's greater purpose of ushering the world into the Great Reset and Beast System.

The arbitrary decrees of man and governments were lies perpetrated to shut down the hope centers of our nation (Biblical churches), shut down our businesses and take away our livelihoods and reliance on God.

Obedience to such arbitrary, unconstitutional and unbiblical orders puts followers of Jesus Christ at odds with our Master and Head of the Church. He commands that we do not forsake the assembling of Believers together even as the DAY approaches (Hebrews 10:25). This verse is a Divine Command and we are enjoined to it.

The agenda remains to destroy our will and obedience to God, rob our children of a future, and force us to wear a medical device on our face, or inject our bodies and the bodies of our children with an unknown poisonous chemical that harms us much more than any virus.

We must also, as the Body of Christ, acknowledge that we lacked collective and individual discernment in not recognizing the globalist agenda of COVID. We missed the mark and must repent before God and make wiser decisions moving forward.

The past is the past.

We can't change the actions or lack of actions we may have taken before, but we recognize that we must repent for being deceived, unduly influenced, giving in to fear or obeying immoral, unconstitutional decrees by deceived or corrupt government officials.

We must commit to responding differently the next time around and rallying the troops of Christ to our future fight for truth and righteousness.

Our Declaration of Dependence on God

Government officials have a duty to secure and defend our God given, Constitutionally protected rights. The First Amendment to the United States Constitution guarantees the right of the people to peaceably assemble and be secure in the free exercise of their religion.

“Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”

During COVID, these civil representatives clearly transgressed their lawful authority with unchecked powers.

We depended far too much on their “authority,” the “expertise” of medical professionals, and the deceptive lies of the media instead of Dependence on God.

As such, it is a must that God’s people obey God rather than the decrees of man (Acts 5:29).

Our obedience to God will be a demonstration of our Dependence on God.

As such:

- We will advance the cause of Christ and our Christ-centered convictions at all costs and without compromise
- We will uphold the Constitution of the United States of America & our individual States
- We refuse to conform to and condone unconstitutional mandates or decrees
- We refuse to close down our churches, businesses and/or meeting centers
- We refuse to push any medical treatment (including masks, untested shots, etc.) as being a spiritual or Christ-like responsibility or as safe and effective
- We will not be financially dependent on government by relying on them for aid to sustain the ministry we trust God to provide for
- We as Believers, pastors, ministry leaders, Christian fathers & mothers, Christian business owners, and medical professionals are united together to unapologetically give our personal support to all legislators and law enforcement that stand with us

And for the support of this Declaration of Dependence, with a firm reliance on God’s Providence, Provision and Protection, we mutually pledge to honor Christ and offer ourselves as holy and living sacrifices, giving our Lives, our Fortunes, and our Sacred Reputation.
