# GEAR UP FOR A BIGGER MUKILTEO LIGHTHOUSE FESTIVAL FOR 2024

Delicious food, warm sunshine, laughter with friends, and bright fireworks...the Mukilteo Lighthouse Festival is back for 2024! The Lighthouse Festival is set to run for three days, from Friday, September 6 to Sunday, September 8.

The Mukilteo Lighthouse Festival — originally named the Mukilteo Pioneer Festival — was created to increase awareness of Mukilteo history while simultaneously earning money for a future museum. The first ever festival took place on September 10, 1966, and though it was a resounding success, was unable to meet fiscal expectations.

By 1971, the City was unable to continue the festival due to waning funds and lack of volunteers. But despite financial challenges, unwavering support from city leaders, businesses, and individual volunteers enabled the festival to continue for over 50 years with minimal disruptions.

As in previous years, the Mukilteo Lighthouse Festival will showcase its main attractions: the Mukilteo Lighthouse Parade on Saturday, September 7, starting at 10:30 a.m., Kiwanis Club of Mukilteo's annual Salmon Bake, Run A Muk 5k/10k, and Beer Garden (21+ adults only).

This year, the Mukilteo Lighthouse Festival will be hosting more vendors than ever before, with 18 food vendors and 106 marketplace, non-profit, and commercial vendors participating.

The children's area currently includes 10 booths, five bouncing houses including two obstacle courses, laser tag on Friday, a game truck on Saturday, and a bumper ball arena on Sunday.

Entertainment will also be different this year, from a Lion Dance to K-pop to a bands, the Main Stage is completely booked out during the festival.

Because the Port of Everett purchased the old ferry terminal property across from Ivar's and turned it into a parking lot, this allows for more parking near the festival. Though this limited parking is paid, it's an option for those who would rather not use the shuttle buses. Shuttle buses will still be available for those who prefer not to drive, offering transportation from locations such as Kamiak High School and Olympic View Middle School to/from the lighthouse.
