Creating a text thread for DM+CR--Alex, Matt, and Dominique. I think someone from MO should be on the ground at Seattle Center. Happy to go if you think it should be me, but wanted to offer to be behind the scenes providing information while others did the relationship work.

7/26/2026 6:45:04 PM

I am able but am 40 mins out. I'll start heading there and can shift plans as needed. - Matt

Update while SPD setting up conference call: this looks like a group violence incident between people who knew each other. I just spoke with Tanya Kim, and she is calling Dominique Davis to ask him to call me directly with updates on violence interruption and hospital-based intervention efforts.
